Highlights

Use less. Re-use more.

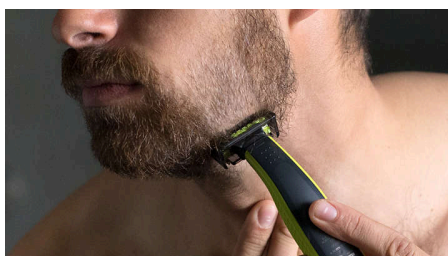

At Philips, we renew products returned by our customers to give them a second life. With our refurbished products, we always strive for the highest quality and offer you a more sustainable alternative. Your refurbished OneBlade comes with a 2 year warranty.

Unique OneBlade technology

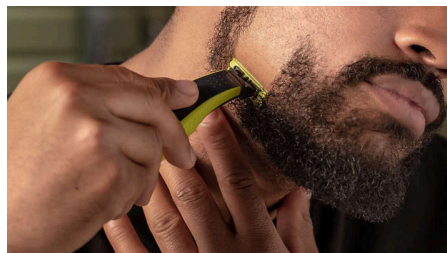

Designed for facial styling and body grooming, the Philips OneBlade trims, edges and shaves any length of hair. It delivers an easy and comfortable shave thanks to a glide coating and rounded tips. And with a cutter that moves at 200 x per second, it's efficient even on longer hairs.

Trim it down

Trim to your preferred stubble length. Your Philips OneBlade face razor comes with 3 stubble combs. 1 mm for a 5 o'clock trim, 3 mm for a tight trim and 5 mm or long stubble.

Shave it off

The OneBlade shaver doesn't shave as close as a traditional blade, ensuring your skin stays comfortable. Go against the grain and shave off any length of hair easily.

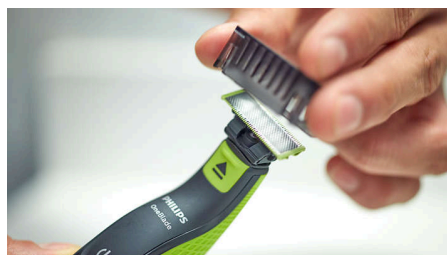

Guard

Attach the skin guard for an extra layer of protection on sensitive areas of the body.

Click-on body comb

Simply attach the 3 mm body comb to trim in any direction.

3 click-on stubble combs

Get your preferred stubble length using one of the 3 included stubble combs at 1, 3 or 5 mm.

Dual-sided blade

OneBlade follows the contours of your face, allowing you to easily and comfortably trim and shave all areas. Use the dual-sided blade to style your edges and create clean lines by moving the blade in any direction.

Durable OneBlade

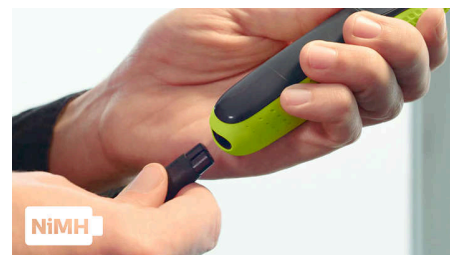

Easily replace your blade once every 4 months* for optimal performance. A green usage indicator will appear once the blade is worn out.

Wet and dry

Use this waterproof razor at the sink or take it with you into the shower. The OneBlade wet and dry razor is easy to clean and can be used with or without foam.

Long lasting battery

A single charge takes 8 hours, and delivers 45 minutes of constant performance.

Edge it up

Get precise lines in seconds with the dual-sided blade that enables you to see every hair you're cutting.
