Highlights

7 tools for all your grooming needs

Our trimmer comes with 7 tools so you can trim and style your facial hair and clip your hair, conveniently covering all your grooming needs.

Beard trimming

The trimmer's blades and beard combs create clean, straight lines for your ideal look with ease.

Easy hair clipping

Attach the hair clipping comb and choose from the different length settings to easily maintain your hairstyle at home.

Nose trimmer

The trimmer is designed to remove unwanted nose and ear hair gently and comfortably, helping you avoid nicks and cuts.

Self-sharpening blades

Self-sharpening steel blades deliver added strength for maximum precision as you trim, staying as sharp as day 1 with no blade oil required. Non-corrosive blades also make it easy to clean.

Blade with rounded tips

Our unique blade technology with rounded tips is designed to be gentle on skin, delivering a comfortable trimming experience.

Ergonomic grip

Our ergonomic grip makes the device easy to hold and maneuver, providing you with the comfort and control you need to perfect your look.

60 min runtime

Our durable battery delivers up to 60 minutes of runtime, for a powerful, continual trimming experience.

Charging LED

The light indicator keeps you fully informed of your battery status, when it's charging, ensuring you're always ready for your next grooming session.

Easy to maintain attachments

Remove the head of your trimmer and rinse it under the tap for a quick, easy clean. Then make sure to dry it before putting it back on the handle.
