Highlights

6-Zone Airbag Massage

Elevate your self-care with three adjustable heat settings—Low (38°C), Medium (42°C), and High (45°C)—providing customizable heat therapy for rejuvenation and relaxation. Choose from four massage modes—Vitality, Eye Care, Hot

Compress, and Relaxation—to suit your mood and needs. The open visual window ensures you can enjoy your massage without losing sight of your surroundings. Stay connected with Bluetooth connectivity, allowing you to enjoy

your favorite music during use, and rest easy with its 1500mAh battery and Type-C charging for convenient power.
