# Highlights

## Say goodbye to plaque

This electric toothbrush comes with our W brush head. It uses densely packed bristles to deliver up to 5 x more plaque removal\*, while treating your whole mouth to a refreshing clean.

## Sonicare Fluid Action

Philips Sonicare toothbrushes clean gently yet effectively and care for your teeth and gums with 31,000 bristle movements. Sonicare Fluid Action supports the bristles cleaning by driving fluid deep between teeth and along the gumline.

## Pressure Sensor

It's easy to brush too hard, so this Philips Sonicare toothbrush has a smart optic sensor to detect excessive pressure. If you're brushing too

hard, it will let you know through gentle vibrations as a reminder to ease off the pressure to help your gums stay protected.

## Intensity settings

Enjoy a pleasurable clean with 3 intensity settings. Choose between High, Medium and Low. Whether you want a little more vigour or a specific focus for your clean, you can have it.

## Easy Start

Sonicare easy-start programme is designed for those who are new to brushing with an electric toothbrush. The programme gives you the option of a gradual, gentle increase in brushing power across your first 14 cleans.

## SmartTimer and QuadPacer

Ace your session time with Sonicare's cleaning timers. Every 30 seconds, the BrushPacer will prompt you to clean a new area. After 2 minutes, the SmartTimer will indicate your session is complete.

## Battery life

Experience up to 14 days of regular brushing after one full charge. Bringing a new level of convenience to your brushing routine.
