1. Orders

- 1.1 Philips may charge a shipping fee for Medical Consumables and Sensors.

2. Payment Terms

- 2.1 Unless otherwise specified in the Quotation, 100% of the purchase price is due 30 days from Philips' invoice date.

3. Return Policy

- 3.1 Philips must authorize all returns. Customer shall pay all shipping charges for returns. Returns after 60 days of shipment shall be subject to a 15% restocking charge. Philips does not accept returns of opened, expired, or damaged consumable Products.

4. HP Pro Mini 400 G9 Desktop PC ("HP Pro")

- 4.1 The HP Pro is a third-party accessory product, including for purposes of the warranty, for which Philips is the reseller. Any third-party warranty or service solutions shall be passed on to Customer for this product. Customer will contact the manufacturer for warranty information. Philips does not provide any maintenance or repair services, anti-virus software, or security software for the HP Pro. Customer is responsible for network security, including but not limited to, using secure administrative passwords, installing the latest validated security updates of operating software and web browsers, running a Customer firewall as well as maintaining up-to-date drivers, and validated anti-virus and anti-spyware software for the HP Pro.
