Ultimate protection for your breast milk

6-oz/180-ml breast milk storage bags

Philips Avent breast milk storage bags provide safe and secure storage for your precious breast milk. They can be stored in the fridge or freezer and are pre-sterilised for immediate use.

Easy to use

- Wide opening for easy filling and pouring
- The sturdy design of this bag enables it to be self-standing
- Bags lie flat for easy storage

Other benefits

- This bag is made of BPA-free material

Pre-sterile and secure

- Freezer-safe with reinforced seams and dual-layer bag
- Pre-sterilised bag with tamper-proof seal
- Secure, leak-proof double-zip seal

Highlights

Ultimate protection

Secure, leak-proof double-zip closure for safe storage of your breast milk

Pre-sterilised, tamper-proof

Tamper-evident seal indicates that the pre-sterilised bag is untouched before first use, for complete hygiene

Strong and durable

Reinforced side seams and dual-layered material provide extra reassurance that your precious breast milk is stored safely in the freezer or fridge

Express, fill, store

The wide and sturdy opening ensures that it is easy to fill the bag and pour your breast milk

Self-standing bag

The sturdy design of this bag enables it to be self-standing, and the wide opening ensures that it is easy to fill the bag and pour your breast milk

Bags lie flat for easy storage

Bags lie flat for easy storage in freezer or fridge

BPA free

This bag is made of BPA-free material
