- Delicious water at a fraction of the cost of bottled water
- 6 months filter life
- Turns tap water into crisp and pure tasting water
- Prolongs the lifetime of kitchen appliances

Advanced Carbon Block - PFAS Pro

Filter cartridge (680L)

ADD569P1/37

Highlights

Delicious water at a fraction of the cost of bottled

Great tasting water at a fraction of the cost and waste of bottled water.

6 months filter life

Filtration performance is designed to last up to 6 months or 180 gallons (680 liters) of water filtration, whichever comes first.

Turns tap water into crisp and pure tasting water

50+ contaminants reduction incl. PFAS (PFOA&PFOS) and emerging contaminants.

Prolongs the lifetime of kitchen appliances

Prolongs the lifetime of kitchen appliances by preventing limescale build-up.
