Highlights

Full HD 1080p

Bring your entertainment to life with True Full HD 1080p, enjoy razor-sharp images, deep contrast and crystal-clear text for an unforgettable viewing experience.

Powerful integrated sound system

Immerse yourself in outstanding sound quality with the 5 Watt audio system for a truly exceptional audio experience. Need a bigger sound? The 3.5 mm jack output is there to connect your earphones or external speakers.

LED light source

The high-quality LED light system delivers rich, vivid colours that last up to 30,000 hours. With an average use of 4 hours per day, this projector will last for up to 20 years.

Autofocus and digital zoom

Always in focus, effortlessly. With smart autofocus and smooth digital zoom, your image is sharp, clear and perfectly sized, every time.

Up to 100" screen size

Enjoy your favorite movies, shows, and more on a stunning projection of up to 100 inches, delivering crisp visuals and rich detail for a truly immersive viewing experience.

Android TV streaming device included

Android TV brings together all your favorite streaming apps and personalized recommendations in one intuitive platform. With a user-friendly interface, Android TV curates shows, movies and videos based on your viewing habits, suggesting options from services like Netflix, Hulu, Disney+ and more, so you can discover new favorites without endless scrolling.
