Highlights

Laser-Engraved Keys Look Great And Last Longer

Laser-engraved keys look great, are easy to read and last longer. A premium choice.

Stylish Design For a Clean Set-Up

The design is adjusted to be the most suitable for ergonomics after rounds of user surveys, and also takes into account having a stylish, slim appearance and saving space.

2.4 G Wireless Connection For a Cordless Workspace

Keep the computer wires at bay. For any keyboard/mouse equipped with this feature, you can connect the accessory to any PC via a speedy 2.4 Hz wireless connection. The simple setup process, along with the accessory's sleek design, is sure to leave your workspace looking clean and wire-free.

Keys Last Millions of Keystrokes for Durability

Keys Last Millions of Keystrokes for Durability

Water-Resistant Design

Life can be messy. With this water-resistant keyboard, the occasional spill or spray is no problem. These keyboards are built to last.

Convenient Multi-Media Shortcuts

With these multi-media shortcuts, you can easily switch to music, volume or video play by a simple click.

Intelligent Power Saving

With the intelligent power-saving function, this keyboard can go into standby and therefore save power when not in use.
