Highlights

15 mm speaker driver

Compact for wearing comfort, yet big enough to deliver crisp, powerful sound, the 15 mm speaker driver is the perfect size for non-distorted listening enjoyment.

Secure and comfortable ear-hook design

The ear hook stays put behind your ear even when you're on the move, keeping the earphone comfortably in place and sounding great. The ear hook is the part that is in contact with the back of your ears and keeps the headphones on your ears.

Extremely durable

You can be sure that the product will have an extra-long life thanks to its design, which allows it to withstand knocks and rough use, and the fact that it is made from strong materials.

USB-C connector

Simply connect to USB-C ports without a conversion adapter. The headphones can be connected to any smartphones, tablets or PCs that are equipped with USB-C port.

Built-in microphone

With the integrated microphone and remote button, you can use this Philips headphone for music as well as calls from your mobile phone. Enjoy hands-free calling, while easily accepting and ending calls from your headphones.
