Highlights

Full-wrap Warm Compress for Feet

Warms and relaxes tense muscles; safe warmth for skin, especially comfortable in cold weather. Can be manually turned on/off.

5-button Easy Control

Clear and intuitive operation with well-labeled buttons, easy for seniors to get started.

Instep & Ankle Airbag Massage

With 2 adjustable intensity levels, combined with deep acupressure kneading for enhanced effect, it relaxes muscle tissues, reduces stiffness, and provides a comfortable massage after a busy day.

3-Zone Sole Massage

Foot roller massage mimics professional techniques, applying effective pressure to the soles, greatly relieving foot muscle tension after a long day of work.

Removable Skin-friendly Foot Covers

Soft breathable fabric with zipper removal for easy wash, keeping it fresh and clean.

2-Level Smart Timer

Upgraded 15/30min timer settings allow you to freely set massage duration for a customized comfort experience.

Fits All Family Foot Sizes

Spacious inner cavity accommodates both large and small feet, meeting the needs of the whole family.

Adjustable Intensity Combinations

Multiple massage combinations can be freely customized to meet different relaxation needs.
