Highlights

3 Zone Sole Massage

Foot roller massage mimics professional techniques, applying effective pressure to the soles, greatly relieving foot muscle tension after a long day of work.

Fits All Family Foot Sizes

Spacious inner cavity accommodates both large and small feet, meeting the needs of the whole family.

Removable Skin-friendly Foot Covers

Soft breathable fabric with zip removal for easy wash, keeping it fresh and clean.

2 Level Smart Timer

Upgraded 15/30 min timer settings allow you to freely set massage duration for a customised comfort experience.

Instep and Ankle Airbag Massage

With 2 adjustable intensity levels, combined with deep acupressure kneading for enhanced effect, it relaxes muscle tissues, reduces stiffness and provides a comfortable massage after a busy day.

Adjustable Intensity Combinations

Multiple massage combinations can be freely customised to meet different relaxation needs.

Full-wrap Warm Compress for Feet

Warms and relaxes tense muscles; safe warmth for skin, especially comfortable in cold weather. Can be manually turned on/off.

5 button Easy Control

Clear and intuitive operation with well-labelled buttons, easy for seniors to get started.
