Voice assistant

Voice assistant compatible: Google Assistant, Apple Siri
Voice assistant activation: Multi-Function touch
Voice assistant support

Highlights

Solid Bluetooth connection

Advanced Bluetooth connectivity gives you a more stable connection for seamless streaming. Enjoy that playlist or listen uninterrupted to your favorite podcast without annoying dips in the sound.

Clear calls

Your voice will come through clearly when you're on a call. A dedicated mic picks up the sound of your voice while a noise-reduction algorithm quietens some of the background noise from the world around you.

Interchangeable silicone ear tips

Interchangeable silicone ear tips

Simple control

Touch controls keep it simple and tones let you know you've activated a function.

Clear call quality

Don't let sounds from the world interrupt your listening. These headphones feature an AI microphone to filter out the noise you don't want to hear and ensure clear call quality. Hear each other clearly every time.
