Under any version of Technology Maximizer included in the Quotation, Philips will upgrade the Equipment (software and hardware) as follows:****2.1** Philips will provide the latest available upgrades based on Technology Maximizer version, if any, when made commercially available and as determined by Philips.**2.2** If Customer has purchased Technology Maximizer “Pro” or “Premium” (as indicated in the Quotation), in addition to the above, Philips will provide new software features and/or applications, if any, when**2.2.1** made commercially available by Philips after the Effective Date of the Agreement;**2.2.2** supported by the Equipment hardware configuration;**2.2.3** intended for use in the “clinical domain” identified in the Quotation or otherwise as explicitly specified in the Quotation.**2.3** If Philips determines that the new software features and/or application to be provided under Technology Maximizer “Pro” or “Premium” requires any additional software (for example: operating system software, basic application software, or software options) so that it can function properly (“Required Software”) and Customer does not currently have a license to the Required Software, then Philips will provide, and Customer will accept, the Required Software; any such Required Software will be considered an “upgrade” for purposes of Section 2 below.**2.4** Philips makes no representations in number of operating system upgrades or Philips Application upgrades or enhancements that shall be made available to Customer by Philips during the term of this Agreement. The release of all software publishers operating system upgrades is at the sole discretion of the software publisher and, to the extent made available to Philips, are subject to prior validation by Philips, prior to Philips approval, for use with the Equipment. Philips is not obligated to release operating system upgrades to the extent Philips determines such

a version would cause material issues to the Equipment, at Philips discretion. This would include without limitation safety issues, processing delays, or image distortion Any upgrades or enhancements to the Philips Application software are subject to regulatory clearance and commercial availability, solely at Philips discretion, during the term of the Agreement. All Philips software application upgrades are subject to the usage and license limitations originally applicable to the Equipment or Philips license software sale.

- 2.5** Philips will notify Customer of an Upgrade that is included in Customer's Technology Maximizer entitlement. Customer must provide written notice (email is sufficient) of intent to receive the Upgrade within the Term of the Technology Maximizer Agreement. If Customer does not provide written notice of intent to receive the Upgrade within term of the Technology Maximizer Agreement, then Philips is under no obligation to provide such Upgrade. If the Technology Maximizer Agreement Term expires after Customer has provided written notice to receive the Upgrade, but before it is delivered, then Customer is entitled to receive it within year of following such expiration and must schedule the installation within this one-year period.

3. Conditions.

- 3.1** The upgrades provided under Technology Maximizer:
- 3.1.1** are available only for the Equipment at the Site;
 - 3.1.2** unless explicitly described otherwise in the Quotation and except in case of Technology Maximizer Pro and Premium, do not include new functionality, applications, options or the like that were not purchased with the Equipment, or purchased separately from Philips for the Equipment;
 - 3.1.3** may not be sold, transferred, or assigned to any third party;
 - 3.1.4** are subject to the terms and conditions of the Agreement and any licensing terms and conditions included in the purchase of the Equipment from Philips or as communicated by Philips.
- 3.2** Parts removed for the purpose of upgrade become the property of Philips on an Exchange Basis as defined in the Exhibit Additional Terms and Conditions for Imaging Services.
- 3.3** In case Customer refuses the installation of an upgrade, or in case no upgrade is provided by Philips (for any reason, e.g., not made available commercially) during the Term of the Agreement, no credit for any already paid amounts is carried forward or eligible for refund.
- 3.4** To receive Technology Maximizer upgrade(s) designated for remote deployment, Customer must ensure the enablement of Philips Remote Service for establishing remote connectivity between the Equipment and Philips.
- 3.5** To receive Technology Maximizer upgrades, the Equipment must be up to date with all preventative maintenance and operating within specifications. If the Equipment is not under a Philips maintenance agreement that includes regular preventative maintenance, and repairs are necessary to bring the Equipment within specifications, the Technology Maximizer upgrade will not cover the cost of such repairs.

4. Termination.

- 4.1** If the Agreement is terminated due to the fault of Customer or Customer defaults under the Agreement after any upgrades under this Technology Maximizer have been provided by Philips, then Customer shall pay Philips the list price of the so provided upgrades within 30 days of such termination or default. No paid amount is eligible for refund.

Exhibit 9B**Additional Terms for Ultrasound Technology Maximizer (Rev 26.1)****1. Services.**

During the Term, Philips will upgrade the Equipment as outlined below according to the selected Technology Maximizer version ("Technology Maximizer").

Technology Maximizer is available in the following versions, subject to availability, modality, and market variations:

1.1 Technology Maximizer Essential

1.1.1 Philips will maintain the Equipment operating system at Philips' current standard as follows:

1.1.1.1 Upgrade core system software release level;

1.1.1.2 Operating system upgrades;

1.1.1.3 Security update included with core system software release, approved and communicated by Philips; and

1.1.1.4 Training for new or enhanced functionality as part of core system software upgrade would be included to the extent materially impacting operational workflow, at Philips sole discretion. If deemed applicable by Philips, clinical training will be available and implemented through training material guides, e-learnings, virtual or on-site as determined by Philips.

1.1.2 Computer hardware replacement to support software upgrades is not included unless specifically included in the Quotation.

1.2 Technology Maximizer Plus

1.2.1 Philips will maintain the Equipment at Philips' current standard as follows:

1.2.1.1 Technology Maximizer Essential deliverables;

1.2.1.2 Software upgrades to licensed software, if applicable. Excludes clinical applications not currently licensed to the Equipment;
and

1.2.1.3 Computer hardware replacement to support software upgrade, if needed. This is a one-time replacement unless specifically included otherwise in the Quotation. The Hardware will be delivered to the customer, if and when the software upgrade needs the enhanced hardware for it to function.

1.3 The Services described in Sections 1.1 and 1.2 herein are collectively known as "Upgrade(s)."

2. All orders for Technology Maximizer are non-cancellable. Under any version of Technology Maximizer, Philips will upgrade the Equipment (software and hardware) as follows:

2.1 Upgrades are limited to no more than one upgrade in a 24-month period, if any, when made commercially available.

2.2 Philips makes no representations as to the quantity of operating system upgrades or enhancements that shall be made available to Customer by Philips during the term of this Agreement. The release of all third-party operating system Upgrades is at the sole discretion of the software publisher and, to the extent made available to Philips, are subject to prior validation by Philips prior to Philips' approval for use with the Equipment. Philips is not obligated to release operating system Upgrades to the extent Philips determines such a version would cause material issues with the Equipment, at Philips' discretion. This includes without limitation: safety issues, processing delays, or image distortion. Any Upgrades to the core system software are subject to regulatory clearance and commercial availability, solely at Philips' discretion, during the term of the Agreement.

2.3 All Philips software upgrades are subject to the usage and license limitations set forth in Philips' Conditions of Sale applicable to the Equipment as well as the terms provided by the software publisher with respect to any third-party software upgrades.

2.4 Philips will notify Customer when an Upgrade is included in Customer's Technology Maximizer entitlement. Customer must provide acknowledgement (email or verbal confirmation is sufficient) of intent to receive the Upgrade within the Term of the Technology Maximizer Agreement. If Customer does not provide confirmation of intent to receive the Upgrade within term of the Technology Maximizer Agreement, then Philips is under no obligation to provide such Upgrade. If the Technology Maximizer Agreement Term expires after Customer has provided confirmation to receive the Upgrade, but before it is delivered, then Customer is entitled to receive it within year of following such expiration and must schedule the installation within this one-year period.

2.5 Software Warranty. All Licensed Software upgrades issued under the Quotation are subject to the warranty terms and conditions agreed to at purchase of the Product or Licensed Software sale (as applicable) for a warranty period of 90 days.

3. Conditions.

- 3.1** Upgrades provided under Technology Maximizer:
 - 3.1.1** are available only for the Equipment at the Site;
 - 3.1.2** may not be sold, transferred, or assigned to any third party;
 - 3.1.3** are subject to the terms and conditions of the Agreement and any licensing terms and conditions included in the purchase of the Equipment from Philips or as communicated by Philips.
- 3.2** Parts removed for the purpose of upgrade become the property of Philips on an exchange basis as defined in the Additional Terms and Conditions for Imaging Services.
- 3.3** Prepaid amounts are not under any circumstance carried forward as credit or eligible for refund including, without limitation, in case of unavailability of Upgrades.
- 3.4** To receive Technology Maximizer upgrade(s) designated for remote deployment, Customer must ensure the enablement of Philips Remote Service for establishing remote connectivity between the Equipment and Philips.
- 3.5** To receive Technology Maximizer upgrades, the Equipment must be up to date with all preventative maintenance and operating within specifications. If the Equipment is not under a Philips maintenance agreement that includes regular preventative maintenance, and repairs are necessary to bring the Equipment within specifications, the Technology Maximizer upgrade will not cover the cost of such repairs.

4. Term and Termination.

- 4.1** If the Agreement is terminated by Philips prior to the expiration of the Term due to Customer default after any Technology Maximizer Upgrades have been provided by Philips, then Customer shall pay Philips the list price of the Upgrades provided during the Term within 30 days of such termination by Philips.
