Audio that brings every scene to life

Experience richer, deeper and more powerful sound with a soundbar that elevates your home audio experience. From durability to sound performance, this soundbar is a solid choice for enjoying the action or drama.

An expanded soundstage

- 2.1 channels. 290 W Max
- Wireless Subwoofer for deep bass
- Intellisound delivers sound clarity
- Dolby Digital Plus. Cinematic sound at home
- DTS Virtual:X for immersive 3D sound in any room

Connectivity at a snap

- Better stability and synchronisation via Bluetooth LE (5.4)
- Seamless connectivity with HDMI ARC
- Control with Philips EasyLink 3.0
- Philips Entertainment app

Highlights

Good quality, clear audio

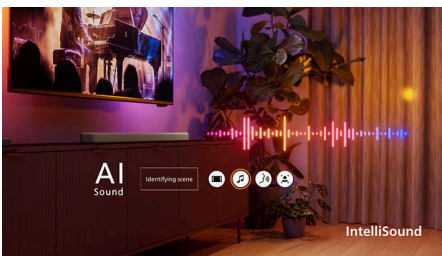

Enhanced clarity of sound in all of your films and games can be enjoyed with 2.1 channels, a perfect starting point for those who need a durable, good quality soundbar at an affordable price.

For bass that's meant to be heard

Impactful sound depth can be experienced on this soundbar via a subwoofer that extends your entertainment experiences. Delivering strong bass, the added convenience of being wire free also means greater flexibility of placement within your home.

Sound that understands

AI-optimised for full enjoyment, Intellisound delivers automatic changes on audio modes based on what you're watching or listening to.

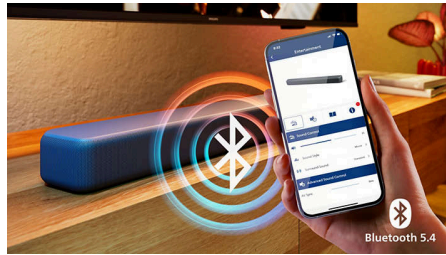

Experience this game changer that enhances the soundscape to pull you deeper into every moment.

Surround sound that inspires

Get immersed into the action with enhanced sound, clarity of dialogue and deep action. Enjoy an expanded soundscape with Dolby Digital Plus, DTS Digital Surround + DTS Virtual:X, and further experience quality sound like no other.

Less lag, enhanced stability

Audio stability is ensured with Bluetooth LE (5.4) on this soundbar, which not only delivers sound effectively from your devices, but also utilises lower energy so you can seamlessly stream all audio without cables or fuss.

Expanded sound possibilities

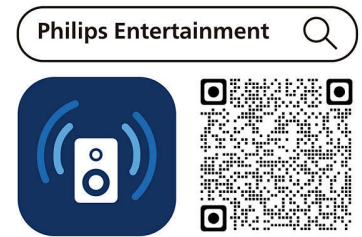

Sync up to other devices seamlessly and expand your audio possibilities with versatile HDMI ARC. A single cable enables your space to remain clutter-free, while connectivity can also be extended through support for USB, Audio-in and Optical input.

Easy access and control

Operate your soundbar, Philips TV and other devices with a single remote via Philips EasyLink 3.0. Further enjoy added convenience when you use the Philips Entertainment app.

Philips Entertainment app

Download the app and you can use your smart device to switch between the EQ sound modes, select source, activate virtual surround sound and more.
