

PHILIPS

Monitor

Technical Sheet

Philips products compatible with USB-C Power Delivery 3.1 (Extended maximum output power of up to 140W):

- Philips Power Bank: DLP2303G

Electronic devices with a similar USB-C interface and specifications, such as laptops, that support EPR 140W charging, can utilize this charging function. A PD 3.1 cable is required to enable this function. Please contact your local customer service for assistance if you have any questions.
