2000 series

Open-ear wireless headphones

TAQ2920WT/70

Highlights

Balanced sound everywhere

Whether you're outside with the volume up or inside with the volume down, you'll always hear clear, balanced sound.

Clear call quality

Don't let sounds from the world interrupt your listening. These headphones feature an AI microphone to filter out the noise you don't want to hear and ensure clear call quality. Hear each other clearly every time.

Lightweight and comfortable

These open-ear headphones are so light you'll barely feel them, plus they won't fall off when you get moving.
