Highlights

10mm drivers

The powerful 10mm drivers, delivering clear, detailed, and dynamic sound that enhances your listening experience, making them perfect for casual use. Whether you're working out, commuting, or relaxing, the earphone offers excellent sound quality.

Integrated microphone

With the integrated microphone and call button you can use this Philips headset for music as well as calls from your mobile phone. Enjoy handsfree calling, while easily accepting and ending calls from your headset.

Perfect in-ear fit

Ultra small earphones fit perfectly inside the ear, creating a seal that blocks out external noise.
