Feel the music, not the earbuds

With no ear tips and a super-small charging case, these lightweight earbuds will let you rock your sounds in real comfort wherever you go.

From favorite playlist to catch-up call

- Solid Bluetooth connection

Powerful playlists. Clear calls

- AI mic for clear call quality

Simple controls

- Touch controls. Easy pairing

True wireless earbuds. Great value, great sound.

- 13 mm drivers for great sound and powerful bass

Highlights

Clear call quality

Don't let sounds from the world interrupt your listening. These headphones feature an AI microphone to filter out the noise you don't want to hear and ensure clear call quality. Hear each other clearly every time.

Solid Bluetooth connection

Advanced Bluetooth connectivity gives you a more stable connection for seamless streaming. Enjoy that playlist or listen uninterrupted to your favorite podcast without annoying dips in the sound.

Simple control

Touch controls keep it simple and tones let you know you've activated a function.

13 mm dynamic drivers

Hear your sounds the way they were meant to be heard. These headphones use custom design, 13 mm dynamic drivers to bring you an amazing listening experience. The drivers' large power capacity enhances dynamics and bass so you'll never miss a beat.
