

# PHILIPS

Under-the-sink  
composite filter

Philips

AUT617/90

## Advanced filter for superior performance

This composite filter removes impurities and chlorine through multi-stage filtration, and adds proper beneficial minerals to purified water for a natural spring water taste. One filter handles both filtration and remineralization.

### Cleaner water assured

- Adds minerals back into the water to enhance the taste

### Crisp and pure tasting water

- Crisp and pure tasting water straight from the fridge

# Highlights

**Crisp and pure tasting water**

Powered by the high-quality coconut shell activated carbon block, which has effective absorption of chlorine and impairing substances with 0.5 μm pore size.

**Mineralization technology**

Mineralization technology enhances purified water with beneficial minerals such as Sr, Ca, and Mg, refining the water taste.

# Specifications

**Compatible Unit**

Compatible Unit CTN: AUT9028DG/90

**General specifications**

Recommend filter lifetime: Up to 12 months

**Filter**

Filtration capacity: 3,650 L
