Milan, Italy – December 3-5

Tutorials room 1

Cardiac CT and live AI-guided echocardiography

Thursday, December 3

09:55 – 11:35	**CT coronary arteries** Dr. Luigi Lovato, Bologna, Italy Dr. Nicolás Almeida, Madrid, Spain
13:00 – 16:00	**From first scan to longitudinal follow-up: A live AI-guided echo patient journey for the LEFT heart** Dr. Hani Mahmoud-Elsayed, Aswan, Egypt Dr. Jaqueline Grace da Rocha e Silva, Vigo, Spain

Friday, December 4

09:55 – 11:35	**CT meets MRI and congenital** Dr. Luigi Lovato, Bologna, Italy Dr. Nicolás Almeida, Madrid, Spain
13:00 – 16:00	**From first scan to longitudinal follow-up: A live AI-guided echo patient journey for the RIGHT heart** Dr. Hani Mahmoud-Elsayed, Aswan, Egypt Dr. Jaqueline Grace da Rocha e Silva, Vigo, Spain

Saturday, December 5

09:55 – 11:35	**Cardiac CT in the emergency department: Where spectral CT makes the difference** Dr. Luigi Lovato, Bologna, Italy Dr. Nicolás Almeida, Madrid, Spain

Tutorials room 3

Hands-on echocardiography

Thursday, December 3

08:15 – 09:30	**From clinical question to echo answer: A structured approach to heart failure and ischemic cardiomyopathy** Dr. Laura Fusini, Milan, Italy Prof. Mauro Pepi, Milan, Italy
09:45 – 11:00	**Mitral regurgitation: From PISA to AI-driven 3D quantification — A case-based workshop** Prof. Eustachio Agricola, Milan, Italy Dr. Giovanni Leone Musci, Milan, Italy
11:15 – 12:30	**Cardiac amyloidosis: From echo clues to a structured diagnosis** Dr. Francesca Graziani, Rome, Italy Prof. Stefano Perlini, Pavia, Italy
12:45 – 14:00	**Mitral valve and coronary artery disease: Connecting anatomy, function and ischemia** Dr. Sergio Suma, Parma, Italy Prof. Nicola Gaibazzi, Parma, Italy
14:15 – 15:30	**Tricuspid valve and the right heart: From valve function to right heart physiology** Prof. Antonella Moreo, Milan, Italy Dr. Francesco Musca, Milan, Italy Dr. Oriana Elena Belli, Milan, Italy
15:45 – 17:00	**From hemodynamics to imaging: Echo at the heart of clinical decision-making** Dr. Giovanni Benfari, Verona, Italy Prof. Gabriele Pesarini, Verona, Italy
17:15 – 18:30	**From anatomy to imaging: The valves revealed through dissection, 3D echo, and MV and TV clinical cases** Dr. Anna Laura Leo, Lugano, Switzerland Dr. Francesco Fulvio Faletra, Lugano, Switzerland

Tutorials room 3

Hands-on echocardiography

Friday, December 4

08:15 – 09:30	**Cardiac amyloidosis: From echo clues to a structured diagnosis** Dr. Francesca Graziani, Rome, Italy Prof. Stefano Perlini, Pavia, Italy
09:45 – 11:00	**Mitral valve and coronary artery disease: Connecting anatomy, function and ischemia** Dr. Sergio Suma, Parma, Italy Prof. Nicola Gaibazzi, Parma, Italy
11:15 – 12:30	**Tricuspid valve and the right heart: From valve function to right heart physiology** Prof. Antonella Moreo, Milan, Italy Dr. Francesco Musca, Milan, Italy Dr. Oriana Elena Belli, Milan, Italy
12:45 – 14:00	**Mitral regurgitation: From PISA to AI-driven 3D quantification — A case-based workshop** Prof. Eustachio Agricola, Milan, Italy Dr. Giovanni Leone Musci, Milan, Italy
14:15 – 15:30	**From 3D echo to surgical strategy: A live heart team workshop on the aortic valve assessment** Dr. Michele Magnesa, Foggia, Italy Prof. Domenico Paparella, Foggia, Italy
15:45 – 17:00	**From hemodynamics to imaging: Echo at the heart of clinical decision-making** Dr. Giovanni Benfari, Verona, Italy Prof. Gabriele Pesarini, Verona, Italy
17:15 – 18:30	**From anatomy to imaging: The chambers revealed through dissection, 3D echo, and MV and TV clinical cases** Dr. Anna Laura Leo, Lugano, Italy Dr. Francesco Fulvio Faletra, Lugano, Italy

Tutorials room 3

Hands-on echocardiography

Saturday, December 5

08:15 – 09:30	**From clinical question to echo answer: A structured approach to heart failure and ischemic cardiomyopathy** Dr. Laura Fusini, Milan, Italy Prof. Mauro Pepi, Milan, Italy
09:45 – 11:00	**Tricuspid valve and the right heart: From valve function to right heart physiology** Prof. Antonella Moreo, Milan, Italy Dr. Francesco Musca, Milan, Italy Dr. Oriana Elena Belli, Milan, Italy
11:15 – 12:30	**From 3D echo to surgical strategy: A live heart team workshop on the aortic valve assessment** Dr. Michele Magnesa, Foggia, Italy Prof. Domenico Paparella, Foggia, Italy
12:45 – 14:00	**Mitral valve and coronary artery disease: Connecting anatomy, function and ischemia** Dr. Sergio Suma, Parma, Italy Prof. Nicola Gaibazzi, Parma, Italy
