Highlights

Full-range Powerful sound system

Thanks to its audio system, immerse yourself in an exceptional sound sensation. Thanks to its 3.5 mm jack output, connect your earphones or even bigger sound with speakers.

Super Silent

Fully engineered to improve airflow and heat dissipation while maintaining a compact design. Enhanced by the use of high-performance fans, it offers an unprecedented silence.

Fully connectable

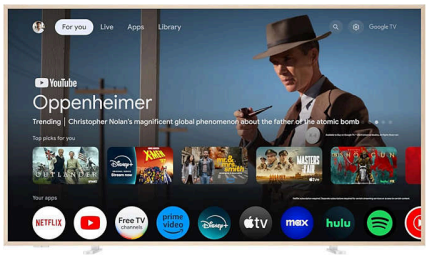

With USB and HDMI ports, connect any media device: computers, game consoles and streaming boxes

Extended Image Correction

Position the product wherever you prefer! Powerful zoom, focus and keystone correction technology allow you to fine-tune the image to your exact needs and place the projector at almost any distance

Google TV streaming device included

Google TV brings together all your favourite streaming apps and personalised recommendations in one intuitive platform. With a user-friendly interface, Google TV curates shows, movies and videos based on your viewing habits, suggesting options from services like Netflix, Hulu, Disney+ and more, so you can discover new favourites without endless scrolling.

Full HD 1080p

True 1080 p Full HD for watching all your favourite movies and TV shows on a big screen. Optimal colour accuracy and gamma balance.
