Highlights

Full-range Powerful sound system

Thanks to its audio system, immerse yourself in an exceptional sound sensation. Thanks to its 3.5mm jack output, connect your earphones or even bigger sound with speakers.

Fully connectable

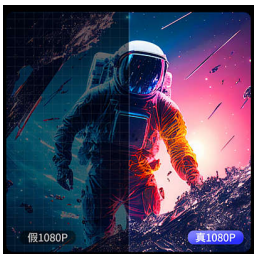

With USB and HDMI port, connect any media device: computers, game consoles and streaming boxes

Extended Image Correction

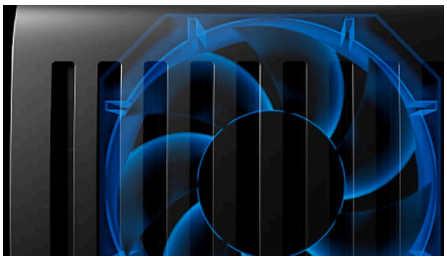

Position the product wherever you prefer! Powerful zoom, focus, and keystone correction technology allow you to fine-tune the image to your exact needs and place the projector at almost any distance

Full HD 1080p

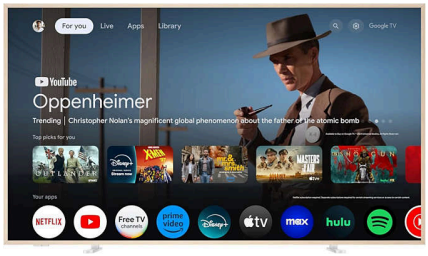

True 1080p Full HD for watching all your favourite movies and TV shows on a big screen. Optimal color accuracy and gamma balance.

Super Silent

Fully engineered to improve airflow and heat dissipation while maintaining a compact design. Enhanced by the use of high-performance fans, it offers an unprecedented silence.

Google TV streaming device included

Google TV brings together all your favorite streaming apps and personalized recommendations in one intuitive platform. With a user-friendly interface, Google TV curates shows, movies, and videos based on your viewing habits, suggesting options from services like Netflix, Hulu, Disney+, and more, so you can discover new favorites without endless scrolling.
