# Highlights

### 42°C warm compresses
42°C warm compresses banish the chill, warming your feet and warming your whole body.

### Three-zone foot massage, mimicking multiple manual
Sole: Knead the sole, wiggle the toes Arch: Scrape the arch, massage the Yongquan point Heel: Press the heel, apply pressure to the insomnia point

### 4 modes × 3 airbag intensity levels
Mode 1: Increased foot scraping, reduced air pressure. Indicator displays red. Air pressure defaults to low setting. Heating function defaults to off. Mode 2: Reduced foot scraping, increased air pressure. Indicator displays blue. Air pressure defaults to low setting. Heating function defaults to off. Mode 3: Pure scraping mode. All other indicator lights off. Mode indicator displays green. Mode 4: Pure air pressure mode. Indicator displays purple. Air pressure defaults to low setting. Corresponding indicator lights illuminate.

### Expanded foot massage space
The enlarged design provides ample interior space, accommodating feet sizes 34 to 45, making it suitable for the entire family.

### 360° air-cushion chamber fully envelops and kneads
The large airbag on the top of the foot presses against the sole, kneading and relaxing it. The ankle airbags pinch and squeeze on both sides, relieving soreness and swelling.

### Innovative dual-purpose design
Innovative dual-purpose design: when not in use for massage, simply flip it over to serve as a stool —one device, two uses for ultimate convenience.

### Four large buttons
Four large buttons with clear functions for easy use by family members

### 3-stage air pressure adjustment
Three Intensity Levels: Low: Gentle and relaxing, ideal for first-time users Medium: Energizing and stress-relieving, perfect for those feeling fatigued High: Deep tissue massage, suitable for individuals experiencing muscle tension
