Highlights

Wi-Fi screen mirroring

Connect your mobile devices wirelessly to mirror and share your local content on tablets, smartphones, or even computers. Videos on your phones? No worries just send it through Wi-Fi! (IOS, Android, Mac, and PC).

Super Silent

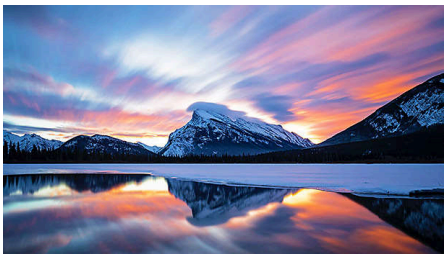

Fully engineered to improve airflow and heat dissipation while maintaining a compact design. Enhanced by the use of high-performance fans, it offers an unprecedented silence.

Fully connectable

With USB and HDMI port, connect any media device: computers, game consoles and streaming boxes

True HD 720p

True 720p HD for watching all your favourite movies and TV shows on a big screen. Optimal color accuracy and gamma balance.

Full-range Powerful sound system

Thanks to its audio system, immerse yourself in an exceptional sound sensation. Thanks to its 3.5mm jack output, connect your earphones or even bigger sound with speakers.

Extended Image Correction

Position the product wherever you prefer! Powerful zoom, focus, and keystone correction technology allow you to fine-tune the image to your exact needs and place the projector at almost any distance
